

West Leyden Elementary School Visioning Project **WORKSHOP**

Tuesday, March 25th

4–6PM

West Leyden Elementary
1157 Fish Creek Rd

Lewis County and the Adirondack School District are undertaking a project to investigate reuse opportunities for the West Leyden Elementary School building.

Stop by the public workshop to learn more about progress to-date and to learn more about where we go from here.

Come to learn more about...

Existing Conditions

Want to know more about the existing condition of the building and the surrounding area?

Economic Trends

Interested in local market conditions and potential investment opportunities?

Opportunities for Reuse

Wondering what uses could be a good fit for the building?

Public Survey Insights

Want to know how your community views the future of West Leyden Elementary?
