LOCAL LAW NO. 3 - 1992

COUNTY OF LEWIS

Introduced by Legislator Lewis O. Nicol, Chairman of the
Courts and Law Enforcement Committee.

A LOCAL LAW AMENDING LOCAL LAW NO. 5 - 1987 BEING A LOCAL LAW
REPEALING FORMER JUNKYARD LAWS AND ESTABLISHING A NEW COUNTY OF
LEWIS JUNKYARD LAW.

BE IT ENACTED by the Board of Legislators of the County of
Lewis as follows:

ARTICLE A. INTRODUCTION

Section 1. Authority

This law is adopted pursuant to the authority granted the County
in Articles 2 and 3 of the Municipal Home Rule Law.

Section 2. Title

This local law shall be known as the "County of Lewis Junkyard
Law."

Section 3. Purpose of the Junkyard Law

By adoption of this law the County of Lewis declares its intent
to regulate and control the storage or keeping of junk, and to
regulate junkyards whether operated for commercial profit or
otherwise. The Lewis County Legislature hereby declares that a
clean, wholesome, and attractive environment is of vital
importance to the continued general welfare of its citizens, and
that junk and junkyards can constitute a hazard to property and
persons and can be a public nuisance. Such materials may be
highly flammable and sometimes explosive. Junk and particularly
junked vehicles can constitute attractive nuisances to children
and certain adults. The presence of junk and junkyards is
unsightly and tends to detract from the value of surrounding
properties unless properly screened from view.

ARTICLE B: DEFINITIONS

For the purpose of this law, the following words and phrases shall have the meaning ascribed to them in this article.

Junkyard Inspector: Any person proposed by the Junkyard Review Board to represent it in particular matters pertaining to this local law and approved by the Lewis County Board of Legislators.

Junk Storage Area: The areas of any parcel of land or water used, or intended to be used for the placement or storage of junkyard items.

Junk Vehicles: Any motor vehicle whether automobile, bus, trailer, truck, tractor-trailer, motor home, motor cycle, bicycle, minibicycle, or snowmobile, or any other device originally intended for travel on the public highways which meets all of the following conditions:

- 1) it is unlicensed.
- 2) it is either abandoned, wrecked, stored, discarded, dismantled, or partly dismantled.
- 3) it is not in any condition for legal use upon the public highway.
- 4) it is in such condition as to cost more to repair and replace in operating condition than its reasonable market value at that time before such repair.

With respect to any motor vehicle not required to be licensed or any motor vehicle not usually used on public highways, the fact that such motor vehicle has remained unused for more than six (6) months and is not in condition to be removed under its own power shall be presumptive evidence that such motor vehicle is a junk motor vehicle.

Junkyard: The outdoor storage or deposit of any of the following:

- 1) three (3) or more junk vehicles.

- 2) three (3) or more junk appliances including but not limited to washers, dryers, dishwashers, stoves, refrigerators, freezers and televisions.
- 3) any combination of the above that totals three (3) or more items.

Junkyard Items: Any junk vehicle or junk appliance.

Junkyard Review Board: Any board appointed or designated by the County Legislature to administer this law.

Person: Any person, firm, partnership, association, corporation, company, or organization of any kind.

Right-of-Way Line: Line forming boundary of the right of way of a street, road, or highway as dedicated by a deed or record. Where the width of the right-of-way is not established, the right-of-way line shall be considered to be twenty-five (25) feet from the center line of the road pavement.

ARTICLE C: JUNKYARD REGULATIONS

Section 1. Location

No junk storage area shall be located within:

- A. one hundred (100) feet of any adjoining property line.
- B. five hundred (500) feet of any public park, church, educational facility, nursing home, public building or other place of public gathering.
- C. one hundred (100) feet of any stream, lake, pond, wetland or other body of water.
- D. one hundred (100) feet from the right-of-way line of any public street, road, or highway.

Section 2. Screening

- A. Where a junkyard is or would be visible from a public highway or from neighboring properties, there shall be erected and maintained an eight (8) foot high opaque fence to screen the

junk storage area. All junkyard items dealt with by the operation of the junkyard shall be kept within such screening at all times so that the junkyard items are not visible from the public highway or from neighboring properties.

- B. The fence provided for in this section shall be of wood or other materials as required by the Junkyard Review Board to totally screen the junk storage area from view.
- C. As an alternative the Junkyard Review Board may permit or require such screening by adequate planting of evergreen trees and shrubbery in place of or in addition to an eight (8) foot high fence. The following requirements shall apply in those cases where this alternative is permitted or required:
 - 1. The applicant shall provide evidence that within five (5) years of the issuance of the initial license the proposed method of screening will provide a year-round opaque screen of the junk storage area from public highways and from neighboring properties.
 - 2. The screening shall be opaque, and remain opaque and attain a height of five (5) feet within five (5) years of the issuance of the initial license. If such requirement is not met within five (5) years of issuance of the initial license, the applicant shall be required to install an eight (8) foot high fence approved by the Junkyard Review Board pursuant to this section.
 - 3. Prior to Junkyard Review Board approval of the license renewal the junkyard owner shall be required to provide evidence of compliance with this section of the law. In addition the junkyard owner shall be required to provide evidence that all dead trees and shrubbery constituting the screen have been replaced with flora of the same species as the approved screen. Such replacements shall be planted at a height sufficient to maintain an opaque screen. Replacements shall be planted prior to application for renewal.

Section 3. Burning

No materials shall be burned in a junkyard except in compliance with the New York State Outdoor Burning Law (see 6 NYCRR 215).

Section 4. Burying

No junkyard items shall be buried in a junkyard except in compliance with the New York State Solid Waste Disposal Law (see 6 NYCRR 360).

Section 5. Approved Junkyard Items

No junkyard items shall be stored in any junk storage area other than those items specified on a junkyard license approved by the Junkyard Review Board pursuant to this law.
